Got some mighty sad news and I ain't got nothin' to say
I heard some mighty sad news and I don't have nothin'
to say
My baby left me, started me drinkin' on Christmas day

Lord, I tried to fetch religion but the devil would not let
me pray
Lord, I tried to fetch religion boys, but the devil he will
not let me pray
That's why I gotta stay drunk all day Christmas Day

(spoken: Ooh, on a Christmas Day, You know that's one
day I hate to have the blues; you know when she
walked out and left me she give 'em to me, so I have to
drink 'em all. I don't even have a Christmas tree in my
house unless she comes home, but if she do happen to
come home I will enjoy this Christmas)

Yes, run here baby and let me tell you what I got to say
Please, please run here darlin' and let daddy tell you
what he got to say
Unless'n you come back to me, I'll be drunk all day
Christmas Day
