Raise your window,
I ain't goin' out that door
Raise your window,
I ain't goin' out that door
'Cause the man out there might,
be your man I don't know

If you raise your window,
I can ease out soft and low
If you raise your window,
I can ease out soft and low
Your neighbors gonna be talkin',
that stuff me don't know

Ain't but one way out,
I ain't goin' out that door
Ain't but one way out,
I ain't goin' out that door
If I get away this time,
I won't be caught no more

Ain't but one way out,
I ain't goin' out that door
Ain't but one way out,
I ain't goin' out that door
If I get away this time,
I won't be caught no more
