I live the life of a G

Thug love green and hennessy

I knew it
only had one chance to misglance
if you miss your chance
you know that you blew it
now front, back, side to side,
is how I'm usually inside
dont trip
get a grip

ask me what I usually drive
you asking me
lookin all good in the passenger seat
I dont smoke cigrattes
after sex
so you gonna have to pass the green
Chorus (x2)
Mo B. Dick: Let me ride like a thug ride a 6 4 (x2)
Sons of Funk: Where we gonna go? Front, back and
side to side(x3)
