(chorus) [x4]

He's jus a rascal

He's jus a rascal

He's jus a rascal, Dizzee Rascal

Yo London stand up tall

Stress on the brain, complain too the fool

Stress on the brain complain too the max

I'm gonna search for big money stacks, top tens and
platinum whacks

Ain't got no need for a chain of a chaks

I'm a rude boi I ain't gotta relax

I got this game in my head like dax

Got this game in my hand, be cool

I'll stop a bull, make a boi relax

I'll take teeth for the money and jaks

We make money off album tracks

Come on I'll face it, lets all face facts

You may be some handsome chaps

What's that, but I'm invisible to all

Foolish fakish cats, Roll Deep will have some of that

Jus another brain complain to the max

Jus another brain complain to the low

Gotta get money, got get a lot of ho

No less than a G for the show

Aint got no buff or I'll hang dudes who think I hang wit
the low

I get round all ways in a go, I get round all ways in a
rush

I won't eva hush, drinking beer make my lot lush

When I come to the crotch with crush, never chat shit,
talk shit get flushed

I talk tough cuz life's been rough

gritty, shitty life ain't been to pretty far from buff

so I'm off to the elegant stuff
