im only 14 yrs old my life has bean through so much
pain my school life is a bitch all my mates are cool
cause they have stood up for me when im in trouble
and they have always been there for me

corus

when im away on holiday or at school i miss all my
mates and family all the time

when i say this i mean it so dont give me this shit that i
dont cause i do

corus

when im away on holiday or at school i miss all my
mates and family all the time

i love all my mates and family but i dont show it and
they dont know it

3xs corus

when im away on holiday or at school i miss all my
mates and family all the time
