I sense that there is something
Something you wanna tell me
I wanna know the answer
I need to find a reason

Right here, right now
Tell me all I need to know
Tell me what there is to show
Tell me how and I will go
Right here, right now
Tell me all I need to bear
Tell me what I need to share
Tell me how and I'll be there

I'll be there
I'll be there
I'll be there

Right here, right now
Tell me all I need to know
Tell me what there is to show
Tell me how and I will go
Right here, right now
Tell me all I need to bear
Tell me what I need to share
Tell me how and I'll be there

I'll be there
I'll be there
I'll be there
I'll be there
I'll be there
I'll be there
I'll be there
