You think you've got your way
But baby there's a catch
don't need your foul play
Now you have met your match
You think you're in control
But that won't last that long
You thought you wore the crown
Honey, you were wrong
You had me taken in
But now I've found you out
And i won't go through that again
You've always had to win
You'll have to go without
You don't know where to stop

Go, go, go, go, go I'll get over you
You drive me crazy, up the wall, think you're Mr Know-It-
All
Go, go, go, go, go I'll get over you
You ddrive me crazy, up the wall, goodbye Mr Know-it-
all.

Eye-eye-eye-ah
I let you have your say
You never compromised
Complaining everyday about everything in sight
I've let you stay a while
Now i am getting bored
No substance in your style and you're not the man you
thought that you were
You had me taken in
But now i've found you out
And i won't go through that again
You've always had to win
You'll have to go without
You don't know where to stop.

Go, go, go, go, go I'll get over you
You drive me crazy, up the wall, think you're Mr Know-It-
All
Go, go, go, go, go I'll get over you

You drive me crazy, up the wall,
Goodbye Mr Know-it-all.
Eye-eye-eye-ah

You think you've got your way
But baby there's a catch
Don't need your foul play
Now you have met your match.

Go, go, go, go, go I'll get over you
You drive me crazy, up the wall, think you're Mr Know-it-
all
Go, go, go, go, go I'll get over you
You drive me crazy, up the wall, goodbye Mr Know-it-
all.

I'll get over you, I'll get over you
I'll get over you, I'll get over you.
