Centrefold  
She's got boundaries of her own  
She says  
"Baby, when I look in your eyes  
I just get stoned"

Before I wake  
I'll tell tomorrow not to break  
(2x):  
Seventeen is not too late  
To turn it on

Centrefold, yeah  
I'm on fire when I'm told  
She's got violence in her bones  
I just get on

Before I wake I'm sure of all  
The breath I take  
I'm too scared of sudden rain  
To turn it on (x2)

She gets love all over her  
It's all over her  
Life (4x)

Centrefold  
She's got boundaries of her own  
She says  
"Baby when I look in your eyes  
I just get stoned"
