What words should we use
To say how we feel,
We're both afraid to lose
Something real.

So just hold me now,
Don't look for words,
Just hold me now
I'm sure it won't hurt
More than these feelings
Crashing around me
More than the thought that you're gone.

So just hold me now,
I'm lost in this silence,
Just hold me now
We're swimming in silence.
Why are there feelings?
And what am I trying to hide?
This mirror never lies...
