Angel, can you see the sunshine
On you today,
And do you feel this way?

Angel, isn't it a fine time
Love is here today,
And just a kiss away.

Angel, can you see the morning
Dawn you today
And do you feel this way?

Angel, isn't it a bright time
Love is here to stay
And just a kiss away

Angel, can you see the sunshine
On you today,
And do you feel this way?

Love is just a kiss away...
Love is just a kiss away...
Love is just a kiss away, kiss away, kiss away...
Love, love, love, love is just a kiss away...
Love is just a kiss away...
Love is just a kiss away...

Angel, can you see the sunshine
On you today,
And do you feel this way?

Angel, can you see the morning
Dawn you today
And do you feel this way?

Love is just a kiss away...
Love is just a kiss away...
Love is just a kiss away, away, away, away, away...
Love is just a kiss away...
Love is just a kiss away, kiss away...
Love, love, love is just a kiss away...

Love is just a kiss away...
Love is just a kiss away...
Love is just a kiss away...
Love is just a kiss... away.
