Don't hold me back but don't leave...
Won't you set me free

Empty rooms are surrounding me
With colors of light
It's too soon, too soon to see
If what we had tonight
Won't disappear, leaving me here in doubt
Won't disappear, leaving me no way out

All I know is if you go
You take a part of me
All I know is love controls
Won't you set me free
Won't you set me free
Won't you set me free

Empty rooms are closing in on me
I can't find my way out
It's too hard, too hard to breath
And still I want to shout
Don't leave me here, don't disappear tonight
Don't leave me here, don't take my colors of light

Cause all I know is if you go
You take a part of me
All I know is love controls
Won't you set me free
Won't you set me free

Set me free
Won't you set me free
Set me free
Won't you set me free
Set me free
Won't you set me free
