There is no one who can save us now  
We are lost in this craziness  
There is no one here to show the way  
But I'll protect us from this loneliness

I am innocent, take my hand  
You are the only one who understands  
Come walk with me  
Come walk with me

Barefoot through the sinking sand  
You and me just hand in hand  
Say we've got the strength to fight  
Come walk with me

It's too late trying to preach the rules  
But they're treating us like we were fools  
Two lovers stand together now  
And we'll overcome these fools somehow

I am innocent, take my hand  
You are the only one who understands me  
Come walk with me  
Come walk with me

Barefoot through the sinking sand  
You and me just hand in hand  
Say we've got the strength to fight  
Come walk with me  
Come walk with me

Oh yeah  
I am the innocence, take my hand  
You are the only one who understands me  
Come walk with me  
Come walk with me

Barefoot through the sinking sand  
You and me just hand in hand  
Say we've got the strength to fight  
Come walk with me
