wouldnt it be amazing  
if you were to wake and find  
that you're not half the girl you thought you were  
both of us in agreement  
with the notion that we're even  
even with the difference in the score

wouldnt it be exciting  
to be writing while we're fighting  
so the point isn't lost here  
we could work out an answer  
to the problem - thats the answer  
now what is your problem dear

can it be that we're satisfied  
and mortified and gratified  
with equal opportunity  
can it get any hotter here  
i'm burning with anger now  
you're making me crazy

oi oi i'm sitting in the big chair - dying  
oi oi i'm sitting in the big chair - dying

suddenly i'm aware  
that i am sitting in the same position  
that i was this morning  
everything is in pieces  
all around me - haven't found me  
but there's something that is dawning on me  
what is it that we're fighting for  
does anyone really know  
i'm asking a question  
is it worth all the waiting for  
isn't it best to go  
i'm needing to rest now

oi oi i'm sitting in the big chair - dying  
oi oi just sitting in the big chair - dying  
oi oi i'm sitting in the big chair - dying  
oi oi just sitting in the big chair - dying again

traveling quickly going nowhere  
building up speed so i can explode  
in pieces - and peace is?  
working hard so i can pay  
the bills that build and turn me grey  
from temple to temple

oi oi i'm sitting in the big chair - dying  
oi oi just sitting in the big chair - dying  
oi oi i'm sitting in the big chair - dying  
oi oi just sitting in the big chair - dying
