We'll be young forever We'll be young forever

We can be like prisoners, yeah
And we can be alone
Or we can make a mess like no one knows
And risk it on our own
Spending the money that we don't have
Cause we don't care, no
Living like kings with broken strings
And bass down to the floor

Living with our headphones up We got sound and that's enough Nobody can touch us And we run, and we run

Hey hey, we'll be young forever We'll be young forever till forever stops We're singing hey hey, we'll be young forever Tonight will last forever till our bodies drop

We can run through the night
Write our name up in the sky
Got the music on our side
Ain't no body gunna catch us
Singing hey hey, we'll be young forever
On the run forever and we'll never stop
(Don't stop, don't' stop now)

Look at us, look at us we'll take the whole world by surprise

Million dollar mindset in place, you can see it in our eyes

Everything here is ours to take so come take your side Living like kings with broken strings and the bass so synthesized

We can turn the speakers up Cause we got sound and that's enough Nobody can touch us And we run, and we run, and we run

Hey hey, we'll be young forever We'll be young forever till forever stops We're singing hey hey, we'll be young forever Tonight will last forever till our bodies drop

We can run through the night
Write our name up in the sky
Got the music on our side
Ain't no body gunna catch us
Singing hey hey, we'll be young forever
On the run forever and we'll never stop
(Don't stop, don't' stop now)

We're gonna rule the world tonight
The beat of the drums keeps us alive
(Tonight will last forever till our bodies drop)

Hey hey, we'll be young forever We'll be young forever till forever stops We're singing hey hey, we'll be young forever Tonight will last forever till our bodies drop

We can run trough the night
Write our name up in the sky
We can run, run, run away
(Ain't no body gunna catch us)
Singing hey hey, we'll be young forever
On the run forever and we'll never stop
(Don't stop)

Run, run, run away We can run, run, run away
