Ppressure building on my soul  
I ask God to take control  
Guide me through this f\*\*\*ed up world  
Conquer this fear spiritually  
Forever let it be  
Into infinity  
Agaist all odds we carry on  
like we always did before  
Soulmate forever more  
I fell your presence every day  
It' s so real in every way  
Give God thanks and Praise  
Just let my soul fly free  
And let me be the one god wants me to be  
Just let my soul fly free  
And let me see everything I'm supposed to see  
Just let my soul fly free(3x)  
Presure building on my soul  
I ask God to take control  
Give me guidance in this wrld  
Conquer this fear spiritually

Forever let it be

Into infinity
