I've had so many loves in my lifetime

so many special memories.

But never have I been so enchanted by someone

Never has love been so for real; you give me love!

A love supreme

a love supreme

a love supreme

a love supreme

A love supreme

a love supreme

a love supreme

a love supreme.

I have faith in the word God's given us

Now there's a light that shines for me.

I'm thankful for all the love you've given me

Never has love been so for real; you give me -

A love supreme

a love supreme

a love supreme

a love supreme

...

My life's been filled with contentment

You brought me joy I never knew

feels like a new beginning.

My life is complete now that I've found you.

A love supreme

a love supreme.

A love supreme

a love supreme

a love supreme
a love supreme
