What did you think
I would do at this moment
When you're standing there before me
With tears in your eyes?

Tryin' to tell me that
That you found you another
And you just don't love me no more?

What did you think
I would say at this moment
When I'm faced with the knowledge
That you just don't love me?
No, no, no, no, no, no

Did you think I would curse you
And say things to hurt you
'Cause you just don't love me
Don't love me no more

Did you think I could hate you
Or raise my hands to you?
Now you know me too well

How could I hurt you
When, darling, I love you?
And you know, baby that I'd never hurt you, baby, no

What do you think, do you think, do you think
I would give at this moment?
If you'd stay, I'd subtract twenty years from my life

I'd fall down on my knees
Kiss the very ground that you walk on
If I could just hold you again

I'd fall down on my knees
Kiss the ground you walk on, baby
If I could just hold you, baby, baby, baby, baby, baby
Can I hold you in my arms again?
Oh, can I, can I hold you again?

Oh, can I just try to make you love me again
Can I hold you again? Oh, no

I'm having a hard time without you, baby
Though I know that you've made up your mind
Can I just hold you? Can I just hold you?
Can I just hold you, baby?
