Baby, baby you don't understand
How much I love you, baby
And how much I wanna be your only man, ooh baby
Just be baby

Baby, baby, baby you don't have to go
Stay a little while longer baby
I wanna talk to you just a little more

I see the little tears in your eyes about to fall
And you are wondering if I'm, if I'm for real
But if you cry, wonder why you cry
I tell you, know why this is how I feel, this is how I feel

Baby I'm for real
Baby I'm for real
I'm for real, yes baby
I'm for real baby

That's the beat of my heart
You should kill me baby

If you wanna know the truth about it
Girl, I just can't live with out you, no, no baby
That's why I'm confessing my love to you
So that I could live my whole life baby
Baby let me live my whole life with you baby

Baby, baby, baby, baby, baby
Trust me with your heart
Baby, baby I'm for real
Oh, yes I am

Baby, I'm for real
Baby, I'm for real
Baby, I'm for real
Baby, I'm for real

Ooh baby, baby, baby
Baby I'm for, I'm for real
Oh, yes I am baby, baby
I, I'm for real, baby

Baby, baby, baby don't you know that
Baby, I am for for real, for real, for real?
Ooh, baby, baby, baby, baby, baby

I am for real, I am for real
Oh, yes I am baby
I'll do everything that you want me to do my baby, baby

Ooh, baby, baby
I need you here, say it, say it, yeah baby
Ooh, baby, baby, I am for real
Oh, yes I am

Ooh, baby
Yes I am for real, for real, for real, for real
My, my sugar, yes I am
