Lookin' in my mirror  
Took me by surprise  
I can't help at see you  
Running of to through my mind  
Helpless like a baby  
Sensual dislikes  
I can't help at love you (babe)  
Pick it better of the time

{I can't help it if I wanna to  
(I) wouldn't help it baby if I could  
I can't help it if I wanna to  
I can't help it, no}x2

Love to run my fingers  
Softly and shipside  
Love can?t maple sensed you  
Bringin' sparkles in your eyes  
Like a trip to heaven (heaven)  
Heaven is a price  
I'm so glad I found you  
You're an angel in the sky

{I can't help it if I wanna to  
(I) wouldn't help it baby if I could  
I can't help it if I wanna to  
I can't help it, no}x2

I can't help it, NO

{I can't help it if I wanna to  
(I) wouldn't help it baby if I could  
I can't help it if I wanna to  
I can't help it, no}x8
