I still believe in miracles
And lord I hope you do
I've been there when nothing else
But a miracle would see me through
Taking a chance, with all the faith in my heart
Back to the wall
I give it all cause I know you're gonna give it all back to
me

Chorus

I do believe
Heaven and earth
Start here with you and me
Here in our arms
A new world begins
And I'll let it shine on me
This has to be
I do believe

People die out of loneliness
It happens every day
All it takes is just a little tenderness
To ease the hurt away
Having you here, healing my life in your arms
Loving you so
All that I know
Is I'm never never gonna let you go.

Chorus

Bridge
Everywhere I go
Everything I see
With a little hope, with a little love, how beautiful this
world could be
How beautiful... I do believe...
