If She Knew

By Will Downing

Album: Invitation Only

8:45

I knew she'll be coming in real soon

So everyday I come in early

Just to wait for her

She'll sit at her desk

Pull back her hair

Then spray perfume

And as it fills the room

I just close my eyes

And I'll start to fantasize

Cause If she knew

Would she come to me

If she knew

Would she run to me

And then say

I love you

Oh I wonder what she'd do

I wonder what she'd do

If she knew

Um baby

5 after 1

And usually she'd be back from lunch

And I start to think of all these crazy things

Oh where could she be

Is there someone else

Someone whose living out my dreams

Why can't it be me

I'm gonna say what's on my mind

When she returns

If she knew

That I care for her

If she knew

I'd be there for her and always

I'd be true

Oh I wonder what she'd do

I wonder what she'd do

'Cause if I could tell her

Say exactly what I'm feeling inside

I would give my all to you

Dedicate my life to you
Hold you tight and never let go
If she knew
Would she come to me
If she knew
Would she run to me
And then say
I love you
Oh I wonder what she'd do
I wonder what she'd do
If she knew
That I care for her
If she knew baby
I'd be there for her
& always I'd be true
Whoa....
I wonder what she'd do
I wonder what she'd do
If she knew.....
Ooh baby
Oohh if she knew....
