Tic toc, tic toc, tic toc, tic toc  
Tic toc, tic toc, tic toc, tic toc

Promises

I know you heard them all from me  
Seems like I'm the king of your broken dreams  
Ooh, baby, it's never enough time for us  
Seems I'm always in a rush  
How can I make it up to you?

Baby, I'll find a way to make you stay  
Do all the things you like, I'll find a way  
I'd find the words to say  
Baby, I'll find a way to you  
If I had more time  
I need to make more, more time

This time

This moment please trust me with your heart  
Can you give this foolish man a brand new start?  
Baby, I'm willing to do anything and everything that  
You want me to, all I do is ask you to  
Trust me with your everything

'Cause I'll find a way to make you stay  
Do all the things you like, baby, I'll find a way  
I'd find the words  
Baby, I'll find a way to you  
If I had more time  
I need to make more, more time

This time

I promise you more  
(Time)  
I'll make sure that I'll make more  
(Time)  
I'll do all these things for you, baby

This

(Time)  
I'll be sweeter

(Time)  
Better believe that I'll be loving you  
More and more and more

Seems like it's never enough time for us  
Seems I'm always, always, always in a rush  
How can I make it up to you, to you, to you, I

(Find a way)  
Ooh, baby, I'll find a way  
(Find a way)  
I've got to make you stay  
(Make you stay)  
Baby, I'm gonna pray

Baby, baby, baby, I'll  
(Find a way)  
Find, baby, I'll find a way to you  
If I had more time, tic toc, if I had  
(More time)  
More time
