When Sonny gets blue  
Her eyes get gray and cloudy  
Then the rain begins to fall

Pitter patter, pitter patter  
Love is gone so what can matter  
When sweet lover man comes to call

When Sonny gets blue  
She breaths a sigh of sadness  
Like the wind that stir the trees

Wind that start the leaves to swaying  
Like some violins are playing  
In an hardened melody... yes

People used to love to hear her laugh and see her  
smile  
That how she got her name.... Sonny  
Since that sad affair she's lost her smile and changed  
her style  
Somehow she's not the same... but

Memories may fade and pretty dreams will rise up  
Where other deams fell through  
Hurry new love, hurry near to  
kiss away each lonely tear and hold her near  
When Sonny gets blue...

Oh, oh, oh...  
People used to love to hear her laugh and see her  
smile  
That how she got her name.... Sonny  
Since that sad affair she's lost her smile and changed  
her style  
Somehow she's not the same...

When Sonny gets blue...  
She breaths a sigh of sadness  
Like the wind that stirs up the trees  
Hurry new love, hurry near to

kiss away each lonely tear and hold her near  
when Sonny gets blue...

When my Sonny gets blue....
