This is going out to anybody  
who might be able to relate to..  
what I am gonna do,  
you've had to put up with all the lying,  
cheating, back stabbin',  
so many years...  
and too many tears,  
but i realised,  
I didn't have to suffer like this no more,  
'Cause I'm stronger now,  
Stronger on my Own!

Yeah, you can't hurt me boy,  
nah no, noooo baby,  
'Cause I'm stronger on my own,

you wanna go it alone,  
or go lonely,  
y'see you let me down so many times before,  
but right here in my mind,  
you are the only, the only one i love  
but i showed you the door,  
If you could see me now,  
and what i was back then,  
you'd swear i was a different girl,  
oh, believe me boy,  
I had to make a choice,  
no more would you destroy my world,

No more that i can take  
don't need to serve this dish you made,  
'Cause I'm stronger on my own,  
I'm stronger on my own,  
right now i see,  
just where i wanna be,  
and it's better on my own  
I'm stronger on my own

No more that i can take  
don't need to serve this dish you made,  
'Cause I'm stronger on my own,

I'm stronger on my own,  
'Cause right now i see,  
just where i wanna be,  
'Cause it's better on my own  
I'm stronger on my own....
