Been thinking a lot about my ways

Guess I'm trying baby

Been searching out a way to say

Guess I'm sorry baby

This time I give all to you

It's time I prove something to you

So I'll lift you up and hold you near

Warm your heart and calm you fears

See I don't want to lose this love I found

So I'll burn my bridges burn them down

Been hurting a lot without you here

Guess I need you baby

Been sleeping upon a bed of tears

Guess I miss you baby

This time I give all to you

It's time I prove something to you

Take all my world and shake it

Take my dear heart and embrace it

Take what I say and listen

My world's changing, changing for you
