Why drink the water  
from my hand?  
Contagious as you think I am  
Just tilt my sun towards  
your domain.  
Your cup runneth over again.  
Don't scream about  
Don't think aloud  
Turn your head now baby  
Just spit me out  
Don't worry about  
Don't speak of doubt  
Turn your head now baby  
Just spit me out  
Why follow me to higher ground?  
Lost as you swear I am.  
Don't throw away your basic needs,  
Ambiance and vanity.  
December promise you gave unto me  
December whispers of treachery  
December clouds are now covering me
