Giving me cause so I may yearn

Giving me words so I may learn

I want more I want more

Giving me thoughts that I may keep

Giving me dreams so I may sleep

I want more I want more

Still all I need is love

So give me more

Giving me calm to fall into

Giving me hope to guide me through

I want more I want more

Giving me light to see through tears

Giving me strength to crush my fears

I want more I want more

Still all I need is love

So give me more

I won't bring you down

I won't bring you down anymore

Giving me choice so I may seek

Giving me faith so I'll believe

I want more I want more

Giving me breath of your mercy

Giving yourself to comfort me

I want more I want more

Still all I need is love

So give me more
