In between us

Good and evil wait

To lie beside us

In our bed we make

In between us

Caution never heeds

We prey on weakness

Then beg for sympathy

In between words

Silence parades so confusion is heard

Our voices afraid

To speak up and reassure

So in between words we remain

In between

In between us

Hope we've yet to see

We long for healings

But the scars never leave

Silence fills the void

Of love and hate

An effective tool

When used to separate

Now separate
