I'm sleeping to encompass myself

I wake up then distribute what's left

With my anger well defused

The link to love I now may choose

With my heart no more abused

The link of love I now may use

I'm sleeping to develop myself

I wake up then rel;inquish what's left

With my anger well diffused

The link to love I now may choose

With my heart no more abused

The link of love I now may use

I was caught by your lies spinning

then was saved by truth's opinion

All's quiet now
