"No More No Less"

Here I lie motionless

Catch me if you can

My properties of no defense

So strike at your command

But don't bring me down

All right

Don't bring me down

Cause there's a purpose

For this night

Save me come tomorrow

Lead me to my urgency

See I'm no more or less of an angel

Than you'd have me be

So let shake it like this

Steady here I cast my lines

Only to expose

A weaker sense and no constraint

now my true self shows

But, don't bring me down

All right

Don't bring me down

Cause there's promise in this night
