Hitched a ride to the peaceful side of town

Then proceeded where thieves were no longer found

Can't crash now, I've been waiting for this

Won't crash now, I found some encouragement

Precious declaration reads

Yours is yours and mine you leave along now

Precious declaration says

I believe all hope is dead no longer

New meanings to the words I feed upon

Wake within my veins elements of freedom

Can't break now, I've been living for this

Won't break now, I'm cleansed with hopefulness

Precious declaration says

Yours is yours and mine you leave alone now

Precious declaration says

I believe all hope is dead no longer

Once I jumped thru hoops of fire

High and far as you required

I was blind but now i see

Salvation has discovered me
