"Run"

Are these times contagious
I've never been this bored before
Is this the prize i've waited for
Now as the hours passing
There's nothing left here to insure
I long to find a messenger
Have i got a long way to run
Yeah, i run
Is there a cure among us
From this processed sanity
I weaken with each voice that sings
In this world of purchase
Im going to buy back memories
To awake some old qualities
Have i got a long way to run
Yeah, i've got a long way to run
