Give me a word

Give me a sign

Show me where to look

Tell me what will I find

what will I find

Lay me on the ground

and Fly me in the sky

Show me where to look

Tell me what will I find

what will I find

yeah, yeah, yeah

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Love is in the water

Love is in the air

Show me where to go

Tell me will love be there

will love be there

Teach me how to speak

Teach me how to share

Teach me where to go

Tell me will love be there

will love be there

yeah, yeah, yeah

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Give me a word

Give me a sign

Show me where to look

Tell me what will I find

what will I find

Lay me on the ground

and Fly me in the sky

Show me where to look

Tell me what will I find

what will I find

yeah, yeah, yeah

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

Oh, Heaven let your light shine down

I'm gonna let it shine

I'm gonna let it shine

Heaven let your light shine on me

oh yeah yeah

please let your light shine on me

shine, shine on me...

yeah shine, come on and shine
