Beggar's description

Of what I've been missing

Exploit your position

Don't think I didn't listen

Hey I hope you're feeling

A little better now

Success is so tragic

Pain is your gadget

Your tongue is just lashing

Just bitching by habit

Hey I hope you're feeling

A little purer now

Hey I hope you're feeling

Securer now

Help me I plea

I don't understand

Your ways and your means

You smashing young man

Help me to see

The good you have planned

You're wearing thin

You smashing young man  
You preach synthetic-like  
Peace is an oversight  
It's nothing to ignite  
Your self-lit spotlight  
Hey I hope you're feeling  
A little special now  
Hey I want to tell you  
I think you're special now  
I don't recall asking for guidance  
I don't recall wanting to  
I don't recall bowing before you  
But I'm so impressed  
With the kindness in your attitude
