Well, after all that we've been through  
Would you still call this 'love', baby?  
'Cause love's the only proof  
That the ugly could be beautiful

Well, god knows I'm feeling spent  
And though I've still got my money, honey  
Money's the revenge  
Of the ugly on the beautiful

Well, the drugs just ain't enough  
And though I like the way they made us crazy  
Love's the only drug  
That turns the ugly into beautiful

And I can't tell you why  
I'm still so much afraid of dying  
When dying reconciles  
The ugly and the beautiful

Though we've been burned by it  
Let's still believe in love  
'Cause love's the greatest gift  
Of the ugly to the beautiful
