Verse 1:

You taught me everything

And everything you've given me

I always keep it inside

Your the driving force in my life, yeah

There isn't anything

Or anyone that I can be

And it just wouldn't feel right

If I didn't have you by my side

You were there for me to love and care for me

When skies were grey

Whenever I was down

You were always there

To comfort me

And no one else can be

What you have been to me

You'll always be

You will always be the girl

In my life for all times

Chorus:

Mama

Mama you know I love you

(Oh you know I love you)

Mama

Mama your the queen of my heart

Your love is like

Tears from the stars

Mama I just want you to know

Lovin' you is like food to my soul

Verse 2:

You're always down for me

Have always been around for me even when I was bad

You showed me right from my wrong

(yes you did)

And you took up for me

When everyone was downin' me

You always did understand

You gave me strength to go on

There was so many times

Looking back when I was so afraid

And then you come to me

And say to me

I can face anything

And no one else can do

What you have been doin' for me

You'll always be

You will always be

The girl in my life
