Performed by Blackstreet)

featuring Jay-Z

Teddy's Rap

When's the last time ya'll heard my drop rhymes

See I be droppin' in it, remix, ya'll be coppin it

Play it on the radio, rockin' it

East,West,North,South non-stop it

No lie you seen me with Guy

Jimmy Lovine, BLACKstreet all clean

I work beats like girls in mag do

You need a remix I'll fix you too....BLACKstreet

Hook

Call me, if you need someone to fix you

Call me, satisfaction guranteed

Call me, if you need someone to fix you

Call me, call me

Oh sugar girl you sexy thang

I like the way you swang

I always wanna be your lover

You can call me if you need a fix or two

Girl you know how we do, I gotta get with you

You can hit me on the phone dial my number

I'll be waiting when I see you we'll be anticipating

All I wanna do is drive you crazy girl

If we can flow, baby let's go see me tonight

Hook

You don't have to worry

I'll be there for you

It's time for you to be my girl

We've been knowing each other

For some time girl and I don't know

What i'd do without you

Hook

Jay-Z's Rap

Zhigga murder tracks let the rap flow kill ya

Rock platinum jewelry

Young ladies think it's silver

Need a fix hit me in the hip

But don't get bezerk and get whipped

Put my buisness in the street like work

I rock rocky ices

Duck po-lices

Thru somethin' let me know

I'll meet you by your building

In a brand new somethin'

It's not a thing i jus' copped

A range and 4 dot 6 with the
Hot wood grain
Drop the front like hydraulics
Gotta hypnotic like the
Dearly departed Christopher Wallace
Zhigga got it if you need it
Willing to give it if willing to
Live it, loving killing digits
It's the blacksheep along with BLACKstreet
If it drop on Monday we go
Plantinum the week
