"I Care Bout You"

Visit "[I Care Bout You](#)" on MotoLyrics.com

Performed by Milestone)

[Featuring Babyface, K-Ci & JoJo, Melvin & Kevon]

Sometimes I feel so alone, baby

I call your heart but there's no one at home

It's taken it's toll on my pride, right

I'm reaching out but no one in sight

You know it doesn't feel right

When I look in your eyes

I know love is blind, but the heart doesn't lie

I'll ask one more time, baby

This time you'll try

So tell me girl what's deep in your heart

Yeah

Chorus:

Girl I care about you

I'm there for you

So why don't you care for me, like I care about you

ooh girl

Girl I care about you

I'm there for you

So why don't you care for me baby

Like I care about you

I spend like all of my days, baby

Trying to suss out just how things got this way

I thought that we were in love

whoa

But I swear right now, I don't know what you want baby

I make sure that I give you quality time

But lately I feel you're not home by design

But still I gonna try to give you the love of my life

In hopes that you, that you will open up your eyes

Oh girl

I care about you (baby yeah)

I'm there for you (can get a witness right now)

So why don't you care for me (yeah, yeah)

Like I care about you

Baby, baby, girl

Girl I care about you (yeah, oh yeah)

I'm there for you (oh yeah baby)

So why don't you care for me (yeah yeah)

Like I care about you

Sometimes I'm not sure that (I'm not sure that)

I'm all you got (I'm all you got)

Sometimes I'm not sure you love me or not, baby

Just one thing that I'm certain of

Girl I care for you

And the one thing that I want is that you care for me to-
oo

Girl I care about you (ooh)

I'm there for you (I'm wondering if you care for me)

So why don't you care for me (care for me baby)

Like I care about you (oh baby)

Girls I care about you (ooh OOh)

I'm there for you (ooh ooh)

So why don't you care (why don't you care)

Like I care about you (why don't you care for me little
baby)

Oh Baby, baby, baby, baby, baby, baby, baby,

Oh yeah,

Yeah

Oh yeah

Oooh, I care for you Baby, oooh
