[G-Clef Da Mad Komposa] Live from Channel 9, 777,
straight from heaven I'm beaming down sick thoughts,
to infiltrate the cross Architech, post modernes, ill
creational Classic, my style's not old school, it's
Jurassic [Storm Da Ghetto Mutant] I ravage crews like a
typhoon in June Storming down your coast, deadly
female host Armed with venomous sound bites,
building down mics Casting rays of lights, and the
bitches on the rewrite [Infamous Mr. Savage] Who be
this, dwelling the depths of the abyss Infamous
retracts, bust backs of lips Word to my click, we break
M.C.'s in any pretense Dark in the sky, and start my
fatality sequence [Goodfella Mike G.] G-Fella mafioso,
from the Gambino faction Thrown into the concrete
jungle with the action Eating my linguini, clams of
scungilli, don't worry Mark and Maggot told me just
keep it real From midnight to two, you don't starve, you
don't quit I'm Goodfella Mike G. from the Soul Kid Klik
