I drink, yes I will

Drink with me, I pay the bill

I've got no intention

No intention at all to drink alone

Drinking about my baby, drinking about my Baby, Baby

Drinking about my baby, drinking about my Baby, Baby

Drinking about my baby, drinking about my Baby, Baby

Drinking about my baby, drinking about my Baby, Baby

My baby left me, I am so alone

Hold me darling, take me home

You are so beautiful and I'm sure you're seventeen

My baby left me, she is out of sight

If you ask me kindly you can stay the night

The stars are beautiful and that's all you're gonna see...

Drinking about my baby, drinking about my Baby, Baby

Drinking about my baby, drinking about my Baby, Baby

Drinking about my baby, drinking about my Baby, Baby

Drinking about my baby, drinking about my Baby
