"STEEL HEELS"

Time goes faster than I did
Thought you said: I'll never wait
You're standing in the rain
And I never came
Your cheap bottle of wine
got smashed on the sidewalk
Rain cleaning off the steams
Leaving shattered glass behind

- - -

You left before I came
Hear the echo of your steel heels
See them tearing up my back
Wonder how it feels
Walk you home it's getting late
Never wait - never hate
You may love me and I want you to
Be a hook and use no bait

- - -

It's colder in the shower
Wild flowers don't come my way
Stand alone in summer rain

Beware of the train
