Eyes of an Angel

James Riggs

Looking into your soul,

I realize your life isn't whole.

I think I know what to say,

I need to show you the way.

Chorus:

Eyes of an Angel,

Mind like a demon.

Living in sin-

You have to let him in-

He is the way!

You think your life is fine,

You don't look for a sign,

Your going downhill!

Help me do his will.

(Chorus)

You think life's an adventure?

You need to stop of think of

The ones you love.

(Chorus)

He is the way X3

(end
