Secret Angel Man

James Riggs

There's a man who lives a life of danger

To everyone he meets, he's no stranger

With every breathe he takes

Another friend he makes

Odds are that he'll be back tommorrow.

Chorus:

Secret angel man, secret angel man

He's given you a halo

And taken away your shame

Beware of fancy dress and all the sin

A person can hide the sin that's within.

Don't let the wrong word slip

Don't ruin your spirtual trip.

Or odds are you won't die and see heaven

Chorus

Living life so good and free,

Then living in heaven for eternity.

Be careful what you say

Or you'll give yourself away

Odds are you'll see us again tomorrow.

Chorus

(end
