one fine day when those clouds above have gone away
oh i know iÂ'll see you again
and when i do
weÂ're worry cause i still be true
oh and i know that weÂ'll be together again
when night falls
call my love
if you need a day just call
oh and i know
iÂ'll be running back to you
and i will find you no matter how far
no matter what you do
oh and i know that weÂ'll be together again
together again when i see you walking by
well you know it makes me feel so high
fields of flowers blooming in my mind
and this love this love like ours
know it gets a little bit sweeter every time
so when you donÂ't feel so strong hold on hold on
donÂ't you know it wonÂ't be long till weÂ're together
again?
together again
