Shake it to the ground,
What! What! What!
What! What! What! What!
Shake it to the ground, what!

Hey hoola girl
Won't you go and get your twirl on?
Go and get your swirl on?
Shake it to the ground, what!
Hey hoola girl
Won't you go and get your twirl on?
Go and get your swirl on?
Shake it to the ground, what!
Hoola hoop, hoola hoop, hoola hoop
What!
Hoola hoop, hoola hoop, hoola hoop
What!
Shake it to the ground, what!

Hey hoola girl won't you shake it, shake it real hard
Shake it, shake it real hard
Shake it to the ground, what!
And when you shake it girl
Don't let it fall off, don't you let it fall off
Shake it to the ground, what!
Hoola hoop, hoola hoop, hoola hoop
Hoola hoop, hoola hoop, hoola hoop
Hoola hoop, hoola hoop

Now shwang, now shwang, now shwang
Now shwang, now shwang, now shwang, now shwang
Now stop it!
This a beat for the strip club
Handmade for the chick with the big butt
That girl got me pullin' out paper
Go one girl
Shake ya money maker

Backside real big like jumbo,
Dynamite, grab a tight don't fumble
Shake it down south, big belly gumbo

Don't shit, you can call me gumbo
This beat's infection
Hey girl, come and sit in my section
Uh you looking so good, perfection
That's not real, those are injections
Backside real big like jumbo,
Dynamite, grab a tight don't fumble
Shake it down south, big belly gumbo
Don't shit, you can call me gumbo

Now wait! Drop! Slide! Pick it up!
Helicopter, let it fly!
Now shwang, now shwang, now shwang
Now shwang, now shwang, now shwang, now shwang
Now stop it!

Hey hoola girl
Won't you go and get your twirl on?
Go and get your swirl on?
Shake it to the ground, what!
And when you shake it girl
Don't let it fall off, don't you let it fall off
Shake it to the ground, what!
Hoola hoop, hoola hoop, hoola hoop
Hoola hoop, hoola hoop, hoola hoop, hoola hoop
Now stop it!

Nicole Scherzinger:
You see my lips singing, you see my hips swinging
You're liking what I'm bringing,
Bring it on, bring it on
You see my back poppin'
I got your mouth droppin'
And now you're heart's stoppin'
Check it out, check it out
I'm goin' to drop it, I'm goin' to drop it now
Now stop it now
Break it down, break it down

Now wait! Drop! Slide! Pick it up!
Helicopter, let it fly!

Now stop, and shake it
Drop it low, hit the floor
But don't break it!
Now stop, and shake it
Drop it low, hit the floor
But don't break it!
Now shwang (shwang), now shwang (shwang), now
shwang (shwang)
Now shwang (shwang), now shwang (shwang), now

shwang (shwang), now shwang
(Shwang)
Now stop it!

Hey hoola girl
