so now you roll the dice,
got burnt not once but twice
and you wonder where it might end.

and all your friends they told ya'
he would not be there to hold ya'
and they're proved right again.

you try so hard to change.
maybe it'd be better just to walk away.

you know it ain't easy (it ain't easy),
it'll tear you apart (oh, it tears you apart),
won't you try to remember (won't you remember),
you can't get love from a scar.
no, you can't get love from a scar.

so now you're on your own,
tellin' secrets to the telephone
and wonderin' where it went wrong.

and maybe it'd be better,
don't say goodbye or leave a letter.
just close the door and be gone.

and now you're so ashamed,
but ain't no man worth that much pain.

you know it ain't easy (it ain't easy),
it'll tear you apart (oh, it tears you apart),
won't you try to remember (won't you remember),
you can't get love from a scar.
no, you can't get love from a scar. x3
