i don't wanna hear no talk about fallin' love.
everybody wants it, but you knwo that it just ain't
enough.

all the people out on the street playin' their game,
everytime i end up in it, it ends up the same.
i don't wanna hear no talk about fallin' in love.

i think i'll just spend my money on a nice used car.
it may move a little slow, but it'll carry me down to the
bar.

i can spend my time drinkin', not thinkin' of you.
she may not be pretty, but she knows what to do.
i don't wanna hear no talk about fallin' love.
say that you want a white veil and a shiny little diamond
ring,
but i know what you really want, honey:
it ain't nothin' but sex, lies, and money.

so now you found a man that you say you been tryin' to
find,
and he calls you sweet names and follows you around
all the time.
got a car made made of platinum and a watch made a
gold,
i hope you both get happy, get fat, and get old.
i don't wanna hear no talk about fallin' in love.
say that you want a white veil and a shiny little diamond
ring,
but i know what you really want, honey:
it ain't nothin' but sex, lies, and money.

say that you want a white veil and a shiny little diamond
ring,
but i know what you really want, honey:
it ain't nothin' but sex, lies, and money.
it ain't nothin' but sex, lies, and money.
it ain't nothin' but.. it ain't nothin' but.. it ain't nothin' but
sex, lies, and money.
it ain't nothin' but sex lies and money.

it ain't nothin' but sex lies and money. x3

no it ain't. x3
