Seven 'til sunrise  
and Lord it's good to see those blue skies as we turn  
Don't you feel the sunshine  
Feel the sunshine burn.  
Dance along the shadows  
Lord, this time I tiptoed with your smile  
Lord, its been a long  
long, long while.  
Wise man, could you help me find  
Lord, the peace that's in my mind?  
I had it once upon a time  
Back when you were here with me  
and I flew so high and free.  
If I could write a song  
I'd sing it to you soft and low  
I don't know the words but this is how it goes:

la la la la la la la la la la la la la la  
la la la la la la la la la la la la la la
