Hear me knocking on your door
Hear me knocking on your door
Let me in, I'll be good just like I was before
Hear me knocking on your door

Would you let me come on in
Let me come on in
Don't you know, I just want to be your friend
Now, would you let me come on in

I'll do more than hold your hand
If you'd just let me be your man

May I fix your TV set
Let me fix your TV set
I'll show you stations that you ain't seen yet
Let me fix your TV set
