just lots of spelling errors.

Too old to bother

too young to care

standing all alone

lost in my mind somewhere

so many unknown questions

i've got to take another step

on this sole adventure

why is it i can't see

what i need to be

i wish i had some ideas

about my destiny

i don't know what it is i'm looking for

i can't find it anywhere

i never felt like this before

i got no ideas what is i try to find

i've got a strange feeling

i'm lost in my own mind

why is it i can't see

what i need to be

i wish i had some ideas

about my destiny

too old to bother

too young to care

(a bunch o' times
